

IQF - SOP

Titan Track and Trace

1.Login

- Login to the application using your credentials.

2.Navigate to IQF

- From the left navigation menu, click **IQF**.
- The IQF Pick Table screen is displayed. This screen lists all lots that are ready for IQF processing.

IQF Pick Table

The Pick Table displays the available lots along with their current processing details.

3.Select the Lot

- Identify the required lot from the Pick Table.
- Verify the lot details before starting the process.

4.Verify Lot Quantity

- Check the Lot Qty displayed for the selected lot.
- Ensure the physical quantity matches the displayed quantity.

5.Click Audit

- Once the Lot Qty has been verified, the Audit button becomes enabled.
- Click Audit to begin IQF processing for the selected lot.

IQF Audit Screen

After clicking Audit, the IQF Audit screen opens. Perform the following activities in the displayed order:

- 1 **Verify the lot details.**
- 2 **Verify the accepted quantity.**

- 3 Perform IQF inspection.
- 4 If all components are acceptable, proceed with Accept.
- 5 If any components require rejection, perform Reject by selecting the rejection reason and entering the rejection quantity.
- 6 Enter remarks whenever required.
- 7 Save as Draft if processing cannot be completed immediately.
- 8 Click Proceed to complete the IQF process.

IQF Acceptance

If the complete lot passes inspection:

- Select Accept.
- Verify the accepted quantity.
- Click Proceed to complete the acceptance process.

IQF Rejection

If defects are identified:

- Select Reject.
- Choose the appropriate Rejection Reason.
- Enter the IQF Rejection Quantity.
- Verify the remaining acceptable quantity.
- Click Proceed to submit the rejection details.

Draft

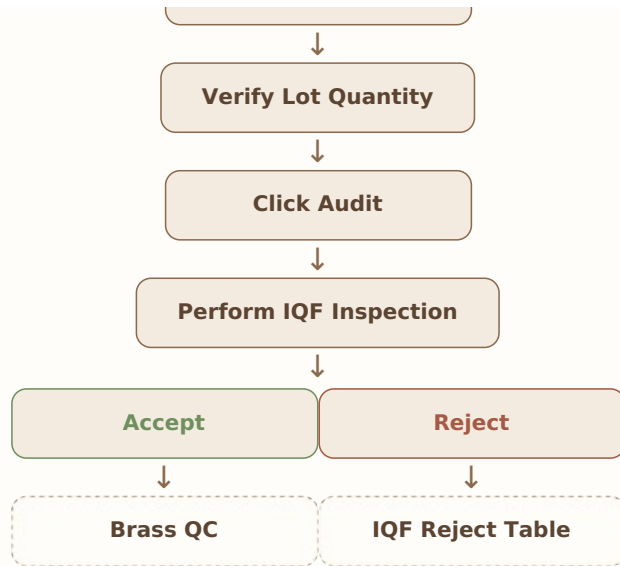

- Click Draft to save the current progress.
- The user can reopen the same lot later and continue from the saved stage.

Completion

- After successful submission, the lot is moved to the next process based on the IQF processing outcome.
- The completed lot is no longer available in the active IQF Pick Table and is displayed under the completed records.
